Slide Presentation

“*An Outward Journey Inward: A Potter’s Spirit in the Southwest*,” Sandy King Martin

This presentation shows images of the history, traditions, and insights that Sandy has gleaned from her special relationship with renowned potter Maria Martinez and her family of San Ildefonso Pueblo.

CURRENT STUDIO

Sandy King Martin has her pottery studio in Leucadia, CA where she creates high-fired reduction stoneware pottery. There are studio sales several times a year with additional showings by appointment.

Each stoneware pot has been created for daily use.
Besides its rich and simple beauty, it reflects the very depths of the earth brought to life by fire.
